ACT Fibernet doubles internet plans in Delhi at no extra costs

Delhi, March 16, 2017: ACT Fibernet, India's largest non-telco ISP and 3rd largest ISP (internet service provider) that has brought revolutionary 100Mbps speeds to Delhi, recently upgraded its internet broadband plans for customers in Delhi. The leading ISP entered the Delhi market in July 2016 and in a short span of 8 months has doubled its FUP at no additional costs to its customers.

ACT Fibernet has doubled its **Bronze** plan to **100 GB FUP** from 50 GB FUP, doubled its **Silver** plan to **150 GB FUP** from 75 FUP and **Gold** plan to **200 GB FUP** from 100 GB. Simultaneously the **Basic** plan has been upgraded to **50 GB FUP** download from 30 GB FUP download, all at no extra costs. It is important to note that ACT Fibernet provides Twin load feature i.e. upload at the same speed as downloads and upload FUP is separate from download FUP i.e. a gold plan will give you both upload and download speeds of 75 Mbps and 200 GB of Upload FUP plus 200 GB of Download FUP.

With the rise in demand for high speed and download bandwidth in the city, ACT Fibernet has upgraded the existing plans to fulfil these requirements through uninterrupted, affordable and reliable broadband services. Known to be the pioneer of speed in the Indian broadband industry, ACT Fibernet enjoys the trust of over 1.2 million registered customers across the country and continues to grow at an incredible rate by meeting utility, business and entertainment requirements.

Speaking on the upgraded plans, **Mr. Bala Malladi, CEO, Atria Convergence Technologies Pvt Ltd commented,** "We have received tremendous response from our Delhi customers since our entrance into the market barely 8 months back. We are constantly striving to bring the best for our Delhi customers and up gradation of existing plans at no extra cost is one way of delighting our customers."

The below table captures the upgrades:
