Market leader Act Fibernet upgrades internet plans - multiplies speeds and data limits by more than 2x in Bangalore.

Faster internet and higher FUP at no additional cost

Bangalore, March 09, 2017: ACT Fibernet, India's largest non-telco ISP and 3rd largest ISP (internet service provider) announced upgraded internet plans for the residents of Bangalore. The latest upgrades will allow customers access to high speed and uninterrupted internet services to meet entertainment, business and utility service requirements at no additional costs.

In a short span of 6 months, ACT Fibernet has more than doubled its Flagship ACT Storm plan from 30 Mbps/ 60 GB FUP to 75 Mbps and 125 GB FUP at no additional cost. Similarly, ACT Lightning has been upgraded by 175% from 100 GB FUP to 175 GB FUP and ACT Incredible from 150 GB FUP to 250 GB FUP, again at no extra costs.

The largest high speed internet service provider in Bangalore, ACT Fibernet is known to be the pioneer of speed in the Indian broadband industry. Growing at an incredible rate, the company enjoys the trust of over 1.2 million registered customers across the country.

Speaking on the upgraded plans, **Mr. Bala Malladi, CEO, Atria Convergence Technologies Pvt Ltd commented, "At ACT Fibernet we believe in bringing the best experiences to our customers. Our new plans will open up new possibilities such as entertainment demands through 4k and HD movies /TV series downloads as well as in professional work especially in start-up capital of the country. In Line with our philosophy of empowering our customers - we are upgrading our plans to offer the best speeds and FUP limits at incredible value to our customers."**

The below table captures the upgrades:
